By staying at the forefront of design trends, our interior design team brings their passion for design, ability to create unique, sustainable spaces and their acquired industry experience to financial, commercial, industrial, educational, municipal, and institutional clients across our geographical service area.

**Multi-disciplined.** Our interior designers work side-by-side our in-house architects, engineers, and construction administrators to comprise a staff of 50.

**Integrated interior design services.** Our services include the following:

- ▶ Interior Finish Selection
- ▶ Furniture Selection and Specifications
- ▶ Casework Elevations, Details
- ▶ Floor Pattern Plans
- ▶ Space Planning & Programming
- ▶ Finish Schedules
- ▶ Furniture Inventory & Installs
- ▶ Client Meetings & Presentations

**Green.** Eight (8) staff members hold LEED® credentials. Many of our educational projects have earned CT High Performance Building Standard ratings. We have completed LEED Gold and LEED Silver projects.

**Revit Ready.** Our designers use Revit to generate 3-dimensional models for communicating our design concepts.
